As Co-Lead Counsel for plaintiffs in *In re: Facebook, Inc. Consumer Privacy User Profile Litigation*, Lesley and the BFA team resolved an extremely complex and hard fought litigation, resulting in the largest privacy class action settlement in history at \$725 million. The case arose from revelations arising out of the Cambridge Analytica scandal, which revealed third parties' use of Facebook user profile data. After five years of intense litigation, resulting in numerous notable orders relating to both privacy and discovery matters, the matter resolved, and has been preliminarily approved. Lesley also served as liaison counsel in *In re Twitter Secs. Litigation*, which settled for \$805 million in 2022.

Lesley served on the Plaintiffs' Steering Committee "legal dream team" in *In re Volkswagen "Clean Diesel" Marketing, Sales Practices, and Products Liability Litig.*, MDL No. 2672 CRB (JSC). In 2015, Lesley won a complete jury verdict in one of the few privacy cases to go to trial in the country, which awarded 100% of economic damages and \$15 million in punitive damages.

Lesley has received numerous awards throughout her career, including being honored as National Law Journal's Elite Women of the Plaintiffs' Bar (2023), National Trial Lawyers Top 100 (2023), Lawdragon 500 Leading Lawyers in America (2023), California Lawyer of the Year (2018), the National Law Journal's Plaintiffs' Trailblazer (2018), and a SuperLawyer since 2016.

Litigation, a class case alleging that airbag and seat belt control units in over 15 million cars are defective and may prevent airbags from inflating in the event of crash.

Joseph A. Fonti leads the Firm's U.S. Securities Litigation practice. With over two decades of experience representing institutional investors in complex litigation, Joseph's commitment to clients, dedication to his cases, and advocacy skills have led to exceptional results in several of the most prominent cases in recent decades. Joseph and BFA have been recognized by several of the nation's leading and most selective legal publications, including *The Legal 500*, *ISS Securities Class Action Services*, and *Law 360*. Most recently, Joseph has been named a Titan of the Plaintiffs Bar by Law360, and has been profiled by *The New York Law Journal*, *Forbes & Fortune*, and *CT Insider* for the landmark achievements he achieved for investors.

Joseph led BFA's prosecution of the securities class action against Teva Pharmaceutical Industries, Ltd. arising from misrepresentations concerning price fixing and other unlawful conduct. BFA secured a \$420 million settlement after five years of hard-fought litigation, including class certification, completing intensive fact and expert discovery, and preparing a summary judgment motion. This represents the second largest securities class settlement in 2022 and the all-time fourth-largest within the Second Circuit, excluding cases arising from restatements or the 2008-09 financial crisis.

Throughout his career, Joseph has led historic litigations representing U.S. institutional investors as well as a number of Canada's most significant pension systems and asset managers. He served as co-lead counsel in the \$219 million recovery on behalf of shareholders of Genworth Financial, a long-term care insurer, which represents the largest securities class action settlement in the history of the Eastern District of Virginia. Likewise, Joseph served as sole Lead Counsel in the securities class action involving Computer Science Corporation, and resolved the case for \$97.5 million for the class at the brink of trial. Joseph also helped lead the prosecution and ultimate resolution of the *Weatherford* securities litigation achieving a \$120 million recovery for Weatherford shareholders. He also contributed to securing a \$173.5 million settlement in *In re Broadcom Corp. Securities Litigation*, which, at the time, was the second-largest cash settlement involving a company accused of options backdating.

Joseph's career is also marked by significant successes in the area of auditor liability. Currently, Joseph is leading BFA's securities class action against Citigroup, Inc. and derivative action against Tesla's Board of Directors.

Additionally, Joseph has achieved notable success as an appellate advocate. He successfully argued before the Second Circuit Court of Appeals in *In re Celestica Inc.*

Securities Litigation, resulting in the Second Circuit reversing the District Court's dismissal of claims. Joseph was also instrumental in the advocacy before the Ninth Circuit Court of Appeals in the *In re Broadcom Corp. Securities Litigation*, which marked the first occasion in which a court upheld allegations against an outside auditor related to options backdating.

Joseph is a member of the American Bar Association, the New York State Bar Association, the Bar of the City of New York, and the National Association of Public Pension Attorneys (NAPPA).

Deeply dedicated to community service, Joseph maintains an active pro bono practice and serves as Chair of the Leadership Committee for the Cardinal's Annual Stewardship Appeal for the Archdiocese of New York, which supports local communities throughout ten New York counties.
